Summary Terms & Conditions

FURNITURE & ADJUSTABLE BED PRODUCT PROTECTION PLAN This Agreement is not a Contract of Insurance

1) PRODUCT ELIGIBILITY: If Your Covered Product is furniture, this Plan applies to, but is not limited to, fabric, leather, vinyl upholstery, other covers or materials, wood and other hard surface furniture purchased as new. In order to be eligible for the manufacturer defect coverage portion of the Plan, either the manufacturer's original written warranty or a combination of the manufacturer's original warranty and the selling dealer's warranty must provide at least 12 months parts and labor coverage. Manufacturer defect coverage for Your Plan begins after the first 12 months.

If Your Covered Product is an adjustable bed, this Plan applies to Manufacturer's Defects as described in the Adjustable Bed section.

2) TERM: This Plan begins on the date the Covered Product was purchased or delivery date, whichever is the latest date, and will provide service to You for a total of 3-Years or 5-Years if Your product is furniture; or 5-years or 10-years if Your product is an Adjustable Bed, as noted on Your sales receipt.

3) COVERAGE: Accidental: If Your Covered Product is furniture, the following conditions apply to You. If under the conditions listed below, the Covered Product becomes accidentally stained or damaged during normal residential use, the Administrator may, at its discretion, either send You a stain removal kit and/or engage a professional technician to service the problem at no cost to You. If the covered damage or stain cannot be resolved, the Administrator, at its discretion, will replace the affected portion or the complete item(s).

Replacement items will be the same as or similar to the original item purchased, provided the price of the replacement does not exceed the Limit of Liability defined in Section 5 of this Agreement. If an entire item of furniture is replaced, the replacement furniture is not eligible for coverage under this Plan. However, replacement of a part or piece of furniture does not end Plan coverage. Any furniture originally covered by the Plan and not replaced will remain under coverage for the remaining term of the Plan. Any replacement item is eligible to be covered with the purchase of a new Plan. Any replaced furniture under this Plan becomes the property of the Administrator. This Plan does not cover pickup, maintenance inspections, crating or delivery freight charges.

Replacement parts or furniture will be ordered for You. If We have offered to repair or replace the item originally purchased or provide a substitute item of like kind and quality at Our option and You refuse to accept such offer, You will be given a refund of the purchase price You paid for this Plan, less any claim payments previously made to you under this Plan in lieu of repair or replacement of Your item, and Your Plan will then immediately terminate.

WHAT IS COVERED: This Plan defines "Accidental" as a single, unexpected and unintentional event and does not include accumulated damage from continual or multiple events. The use of this Plan requires an explanation of where and when the accident occurred as well as a detailed description of the actual event.

All repairs and/or stain removals must be authorized by the Administrator prior to performance of service. For faster service, please have Your dated proof of purchase (sales receipt that details the retailer, the purchase date, the delivery date, the Plan purchased, the items covered by the Plan and their purchase cost) available when You call. If the product is still covered by a manufacturer's warranty, You may be directed to call the manufacturer prior to being referred to a service center. All repairs/stain removals must be approved before they are performed. Service will be performed during normal business hours. Do not return the Covered Product to Your retailer for repair or stain removal unless so instructed by the Administrator. If Your Plan expires during the time of an approved repair or replacement, this Plan is extended until the repair or replacement has been completed. While We try to complete service as quick as possible, We are not responsible for delays caused by factors beyond Our control, including but not limited to manufacturer's delays, unavailability of parts, shipment to a service facility, acts of God, or service scheduling delays.

5) LIMIT OF LIABILITY: The limit of liability for Your Covered Product under the Plan is the cost of authorized repairs or replacement as determined by the Administrator, with a product of similar features. In no event will the total liability for repairs, replacement or a combination of both exceed Your purchase price for the Covered Product, excluding sales tax, diagnostic fees, delivery and installation costs.

In the event that your furniture or adjustable bed requires replacement, the amount payable under this Plan shall be the lesser of the purchase price of the replacement product or Your purchase price for the Covered

Product, less any repairs or replacements previously provided under this Plan. Upon replacement of an entire item of furniture or adjustable bed, or when the Limit of Liability is reached, there is no longer any obligation for service, repair or replacement under this Plan. SERVICE COSTS, TRIP CHARGES, BREAKDOWN CHARGES, INSPECTION FEES, DIAGNOSTIC FEES OR ESTIMATE CHARGES FOR REPAIRS NOT COVERED BY THIS AGREEMENT ARE YOUR RESPONSIBILITY.

6) WHAT IS NOT COVERED: (A) Products not originally covered by a manufacturer's or selling dealer's twelve (12) month warranty; (B) Product repairs that should be covered by the manufacturer's warranty or are a result of a recall, regardless of the manufacturer's ability to pay for such repairs; (C) Cleaning; Periodic checkups; preventive maintenance; accumulation of stains, dirt, oils; (D) Any and all pre-existing conditions that occur prior to the effective date of this Agreement and/or any product sold used or "AS-IS", including but not limited to floor models, demonstrations models, etc.; (E) Part or repairs due to normal wear and tear unless tied to a breakdown, and items normally designed to be periodically replaced by You during the life of the product, including but not limited to batteries, light bulbs; (F) Abuse, misuse, mishandling; unauthorized modifications or alterations to Your Covered Product; (G) Failure to follow the manufacturer's instructions; (H) Loss or damage caused by war; invasion; act of foreign enemy; hostilities; civil war; rebellion; riot; strike; labor disturbance; lockout; or civil commotion; (I) Incidental, consequential or secondary damages or delay in rendering service under this Plan; loss of use during the period that the Covered Product is at an authorized service center or awaiting parts; (J) Any product used in a commercial setting or rental basis; (K) Failures that occur outside of the 50 states of the United States of America and the District of Columbia; (L) Unauthorized repairs and/or parts; (M) Cost of installation, setup, diagnostic charges, removal or reinstallation of the Covered Product, except as provided herein; (N) Any other loss other than a covered breakdown; (O) Service where no problem can be found; noises; squeaks; Breakdowns which are not reported during the term of this Agreement; (P) Any stain or damage occurring prior to or during delivery, while furniture is being moved between residences or into and out of storage; or damage accrued while in storage; (Q) Any stain or damage caused by sun fade, smoke, fire, flood or other natural disaster, insects, pests, rodents, any other animal other than traditional pets, mold; mildew; exposure to weather; lightning; windstorm; sand; dirt; hail; earthquake; acts of God; theft, vandalism or illegal act; (R) Any stain or damage caused by any third party, including any independent contractor, such as, but not limited to, plumbers, painters, movers or other service or maintenance personnel.
